L2-171-92

A Brahmin servant for the RC Memorial Chultram seems unnecessary, & unless stated the finances unexpedient. One hundu servant with a watcher with 3 as proposed may be sanctd for the Chultram (this must larger than a Musafarkhana & more difficult to take care of owing to the variety of classes that resort both). A watcher for the musafarkhana near the Rly station is also reqd. Draft order thereon, if approved
